

ENTERPRISE TRAINING FOR WORKFORCE DEVELOPMENT THROUGH PROFESSIONAL CERTIFICATIONS

Benefits of Enterprise Training

- Train employees across global locations and benchmark their skills
- Enable diverse teams to get similar skillsets
- Provide employees avenues to grow within the organization
- Provide globally approved and accredited training across locations
- Provide team members training that enables them to attain the level expected by your clients
- Enable more client wins with certified team members to get those important projects
- Engage employees with e-learning access that allows them to focus on improving their skills

Modes of Engagement

Instructor-Led Classroom Training

Our expert trainer will provide in-house training in your office premises as per your schedule.

Instructor-Led Live Online Training

Provided to your company's employees across global locations through Citrix GoToMeeting or Cisco WebEx.

Self-Paced E-Learning

Anywhere, anytime access to E-Learning through a Learning Management System for employees across the globe.
