iCert Global Learning Pvt. Ltd.

Fact Sheet: PRINCE2® Practitioner

Description:

PRINCE2 ® means Projects in Controlled Environment. PRINCE2® is a process-based approach for project management. The method is the de-facto standard for project management in the UK and is practiced worldwide. This course prepares the delegates to appear for the AXELOS PRINCE2® Foundation and Practitioner level project management certification and pass it successfully.

PRINCE2® foundation and Practitioner is the highest level of **certification**. It is ideal for professionals who are looking forward to attend classroom sessions and interact with a qualified trainer. PRINCE2® Certification is also widely recognized and used in the private sector, both in the UK and internationally.

Objectives:

This full combined PRINCE2® course prepares the participant to appear for both Axelos PRINCE2® Foundation and PRINCE2® Practitioner level project management certification and pass it successfully in their first try or iCert Global pays for the re-exam fees.
